## President's Welcome

It is hard to believe summer is almost over and September is here again. For some of us September means shopping for school supplies or registering our kids in a myriad of activities, but for many of us September means registering for dance lessons and adding all the dance opportunities we can to our already busy calendars. I am glad you decided to add our dance dates to your calendars!

Welcome to all Classic Dance Club members, new and old alike. If you love to dance or have a desire to learn new dances, this is the club for you. Dances are held once per month between September and June with a lesson preceding most dances. The lessons are geared to the beginner and intermediate level dancers and the dance consists of a variety of ballroom and latin dances to allow you to practice what you just learned.

This Club is for you, our members, and we want your opinion on how we are doing, so the Executive is asking you to provide us with any feedback or suggestions you have anytime throughout the year. You may reach us at [classic@sfn.saskatoon.sk.ca](mailto:classic@sfn.saskatoon.sk.ca) or by mail at PO Box 441, RPO University, Saskatoon, SK, S7N 4J8.

Happy Dancing.

## A Thank-You For Purchasing Your Membership Early

The idea of rewarding our members who purchase their membership early with a free dance admission went over so well last year that we decided to continue the practice this year.

That is right, if you purchase your 2006/07 Classic Dance

Club membership by September 30, 2006, you will receive a coupon for a free regular-priced dance admission to be used before June 30, 2007. This is our way of saying thank you for your continued support of the Club. After all, it is the

members who make the CDC such a success year after year.

To take advantage of this offer, please see the registration volunteers at the September dance or email the club .
