## President's Welcome

Summer is over, and while that may bring sadness to some, the knowledge that a new dance season is beginning will bring smiles to many of your faces. Now is the time to dig your dance shoes out of the closet if you put them away over the summer.

Whether you have never danced before or are a regular attendee, this Club offers a friendly, social environment where dancers of all levels

come to learn new steps or practice old ones. Dances are held once per month from September to June with a lesson preceding most dances. These lessons range from ballroom to latin to swing and are geared towards the beginner and intermediate dancers. Thank you to our volunteer instructors and the Executive for making this Club run. If you would like to volunteer your time in some way or have any feedback to give, you may

approach anyone on the Executive, or see the CDC contact information on the next page.

I look forward to an enjoyable dance year with the familiar faces and the new dancers that will come out to our events. Thank you for your support of the Classic Dance Club.

See you out dancing!
