PRESIDENT'S WELCOME

Welcome to Classic Dance Club's 26th year! The days are getting shorter, there is a nip in the night air and thoughts turn once again to the beginning of another dance season. It was only a few short months ago that Classic Dance Club held its 25th Anniversary Ball, which was remarkably successful and exceeded all expectations. I believe we can build on that accomplishment and make this season one of the best ever. To be sure, we have some solid credentials to back that goal up: a beautiful hardwood dance floor, an intimate setting that is not too big and not too small, and some of the nicest people you will ever meet. Nobody is a stranger at a Classic Dance Club, just a friend you have not met yet!

The CDC holds monthly dances, most of which begin with a lesson geared towards beginner and intermediate levels. You are sure to get something out of each lesson, whether you are seeing that dance for the first time, or if you are a seasoned veteran – there is something for everyone. After each lesson, we dive right into the dance, where variety is the name of the game. There are 14 different dances on our playlist, plus 2 feature dances that change monthly; they range from Jive to Quickstep to Polka to Samba and everything in between.

The CDC would not be the club it is today without the selfless work of many volunteers that keep it running strong. I would like to take this opportunity to thank the executive members, the instructors, and the numerous members and guests alike who gladly offer their help to set up and clean up afterwards. Without you there would be no Classic Dance Club. Thank you!

I am excited to begin another season with the CDC, and I look forward to seeing many new and many familiar faces in September and beyond. So mark your calendar each month and come out to as many Classic Dance Club dances as you can – I promise you will be glad you did!
